

Average Incubation Temperatures For Commonly Kept Reptiles

| Species Name | Common Name | °C | °F | Avg. Days |
|--|---------------------------------|---------|---------|-----------|
| <i>Bogertophis subocularis</i> | Trans-pecos Rat Snake | 28 | 82 | 70 |
| <i>Dasypeltis scabra</i> | Egg-eating Snake | 31 | 88 | 65 |
| <i>Elaphe bairdi</i> | Bird's Rat Snake | 28 | 82 | 70 |
| <i>Elaphe bimacuata</i> | Twin-spotted Rat Snake | 28 | 82 | 45 |
| <i>Elaphe climacophora</i> | Japanese Rat Snake | 28 | 82 | 70 |
| <i>Elaphe dione</i> | Dione's Rat Snake | 28 | 82 | 20-45 |
| <i>Elaphe guttata emoryi</i> | Great Plains Rat Snake | 28 | 82 | 70 |
| <i>Elaphe guttata guttata</i> | Corn Snake | 28 | 82 | 70 |
| <i>Elaphe guttata intermontana</i> | Intermontane Rat Snake | 28 | 82 | 70 |
| <i>Elaphe guttata rosaceae</i> | Rosy Rat Snake | 28 | 82 | 70 |
| <i>Elaphe longissima</i> | Aesculapian Snake | 28 | 82 | 60 |
| <i>Elaphe obsolete lindheimeri</i> | Texas Rat Snake | 28 | 82 | 70 |
| <i>Elaphe mandarina</i> | Mandarin Rat Snake | 28 | 82 | 50 |
| <i>Elaphe obsolete obsolete</i> | Black Rat Snake | 28 | 82 | 70 |
| <i>Elaphe obsolete quadrivittata</i> | Yellow Rat Snake | 28 | 82 | 70 |
| <i>Elaphe obsolete rossalleni</i> | Everglades Rat Snake | 28 | 82 | 70 |
| <i>Elaphe situla</i> | Leopard Snake | 28 | 82 | 60 |
| <i>Elaphe obsolete spiloides</i> | Grey Rat Snake | 28 | 82 | 70 |
| <i>Elaphe quatuorlineata</i> | Four-lined Snake | 28 | 82 | 50 |
| <i>Elaphe schrencki anomal</i> | South Amur Rat Snake | 28 | 82 | 50 |
| <i>Elaphe schrencki schrencki</i> | Russian Rat Snake | 28 | 82 | 50 |
| <i>Elaphe taeniura friesi</i> | Taiwan Beauty Snake | 28 | 82 | 70 |
| <i>Elaphe taeniura ridleyi</i> | Cave Racer | 28 | 82 | 70 |
| <i>Elaphe taeniura taeniura</i> | Chinese Beauty Snake | 28 | 82 | 70 |
| <i>Elaphe taeniura yunnanensis</i> | Yunnan Beauty Snake | 28 | 82 | 70 |
| <i>Elaphe vulpina</i> | Fox Snake | 28 | 82 | 70 |
| <i>Eublepharis macularius</i> | Leopard Geckos | 26 - 32 | 80 - 90 | 43-51 |
| <i>Eublepharis macularius</i> | Leopard Geckos (males) | 31 - 32 | 88 - 90 | 43-51 |
| <i>Eublepharis macularius</i> | Leopard Geckos (females) | 26 - 27 | 80 - 82 | 43-51 |
| <i>Gonyosoma (Elaphe) oxycephala</i> | Red-tailed Racer | 28 | 82 | 100 |
| <i>Heterodon nasicus</i> | Western Hognose Snake | 28 | 82 | 50-55 |
| <i>Hemidactylus frenatus</i> | Chit-chat or House Gecko | 29 | 84 | 45 |
| <i>Hemidactylus turcicus</i> | Mediterranean Gecko | 29 | 84 | 45 |
| <i>Lampropeltis calligaster</i> | Prairy King Snake | 28 | 82 | 60 |
| <i>Lampropeltis getula brooksi</i> | South Florida King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula californiae</i> | Californian King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula floridana</i> | Florida King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula getula</i> | Common King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula holbrooki</i> | Speckled King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula nigrilus</i> | Mexican Black King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis getula splendida</i> | Desert King Snake | 28 | 82 | 65-70 |
| <i>Lampropeltis mexicana alterna</i> | Grey-Banded King Snake | 28 | 82 | 65 |
| <i>Lampropeltis mexicana greeri</i> | Durango King Snake | 28 | 82 | 65 |
| <i>Lampropeltis mexicana mexicana</i> | San Luis Potosi King Snake | 28 | 82 | 65 |
| <i>Lampropeltis mexicana thayeri</i> | Nuevo Leon King Snake | 28 | 82 | 65 |
| <i>Lampropeltis pyromelana</i> | Sonoran Mountain Snake | 28 | 82 | 65 |
| <i>Lampropeltis ruthveni</i> | Queretaro Mountain King Snake | 28 | 82 | 65 |
| <i>Lampropeltis triangulum annulata</i> | Mexican Milk Snake | 28 | 82 | 65 |
| <i>Lampropeltis triangulum campbelli</i> | Pueblan Milk Snake | 28 | 82 | 65 |
| <i>Lampropeltis triangulum hondurensis</i> | Honduran Milk Snake | 28 | 82 | 65 |
| <i>Lampropeltis triangulum sinaloae</i> | Sinaloan Milk Snake | 28 | 82 | 65 |
| <i>Lampropeltis zonata</i> | Californian Mountain King Snake | 28 | 82 | 65 |
| <i>Lamprophis aurora</i> | Aurora House Snake | 28 | 82 | 70 |
| <i>Lamprophis fuliginosus</i> | Brown House Snake | 28 | 82 | 70 |
| <i>Pituophis melanoleucus affinis</i> | Sonoran Gopher Snake | 28 | 82 | 60-65 |
| <i>Pituophis melanoleucus annectans</i> | San Diego Gopher Snake | 28 | 82 | 60-65 |
| <i>Pituophis melanoleucus lodingi</i> | Black Pine Snake | 28 | 82 | 60-65 |
| <i>Pituophis melanoleucus melanoleucus</i> | Northern Pine Snake | 28 | 82 | 60-65 |
| <i>Pituophis melanoleucus sayi</i> | Bull Snake | 28 | 82 | 60-65 |
| <i>Pogona spp.</i> | Bearded Dragon | 29 | 84 | 42-80 |
| <i>Pogona vitticeps</i> | Inland Bearded Dragon | 29 | 84 | 62 |
| <i>Ptychozoon kuhli</i> | Kuhl's Gecko | 27 | 81 | 70 |
| <i>Ptychozoon lionatum</i> | Fringed Gecko | 27 | 81 | 70 |
